Counter Offer Expedited Promotion & Tenure Review
Revised July 21, 2022

General information regarding counter offers is available on the ASC Intranet under Compensation and Duties, “Guidelines for Faculty Retention.”

This is the process for off-cycle tenure reviews for assistant professors who have been offered tenured positions at other peer institutions and for associate professors who have been offered positions at the full professor rank. The candidate’s record must meet the criteria for each rank in the TIU’s Appointments, Promotion & Tenure document. Salary increase start dates associated with an off-cycle change in rank are subject to OAA and ASC constraints. For further information, see section 8.3 of the Office of Academic Affairs’ Faculty Compensation Policy.

Counter offers may also stipulate that the candidate will be considered for tenure and/or promotion in the next regular cycle.

Off-cycle reviews follow the normal P&T process, with a few modifications:

1) copy of the letter of offer from the peer institution should be submitted to college along with the dossier
2) overall dossier structure should be followed, including OAA forms; colored divider pages are optional
3) candidate provides core dossier in OAA core dossier format (either as output from Vita or a Word doc including the same information following OAA outline structure)
4) list of external reviewers (names, title/rank/institution, whether suggested by candidate or P&T committee, any relationships to the candidate); list should be pre-approved by the college
5) five letters from external evaluators; no more than three of these should be reference letters or suggested by the candidate
6) reviews and recommendations by the:
   a. TIU Committee of the Eligible Faculty
   b. TIU Head
   c. College Dean and Divisional Dean; consultation with the college promotion & tenure committee is at the discretion of the dean. The divisional dean should draft and co-sign this letter unless there has been a decision to consult with the college P&T review panel (in which case the divisional dean writes a separate letter on behalf of that panel).

The TIU is responsible for collecting items 1-6b and submitting them to the divisional dean (cc: ASC Faculty Affairs); item 6c will be added prior to submission to OAA by the college.

A suggested template for solicitation of external review letters is below and is available in .docx format on the ASC Intranet under External Evaluator Materials.

---

1 Please send lists of external reviewers to Shari Speer for pre-approval. Criteria are similar to those for normal P&T reviews (see ASC Intranet for External Evaluator College Approval Process) with the exception that three letters from reviewers suggested by the candidate are permitted.
